Help and Support

Get Started with GuideConnect

If you're new to GuideConnect, we recommend you watch the 'Getting Started' training videos. In just a few minutes, you'll learn how to control GuideConnect on your chosen device.

Go to Tools > Training > Training Videos > Getting Started

GuideConnect Training

Choose your preferred training options.

Choose from:

- Training videos – watch and learn
- Training podcasts – listen and learn
- Shortcut keys list – keyboard commands
- Typing tutor – improve your typing skills

You can find these tutorials in GuideConnect.
Go to Tools > Training

In the UK, GuideConnect customers can take advantage of 2 hours free telephone training and UK based technical support. If you're outside the UK, ask your Dolphin dealer about the support they offer.

In-product Help

To get Help and Information when you're using GuideConnect:

- Select the 'i' button in the top right of the GuideConnect screen
- Press the F1 button on your keyboard
- Click the B button on your Dolphin remote control
